Fraudsters are actively spoofing Team One phone numbers to make their calls appear legitimate. They sound professional. They sound convincing. And they are counting on you to trust them.

If a caller asks for your card or account number, PIN, password, or one-time authentication code, it is a scam. Sharing this information gives scammers direct access to your funds. In many cases, once it is gone, it cannot be recovered.

Team One will NEVER call and ask for this information. If you receive a call like this, hang up immediately and contact the Team One Fraud Department directly at 989.754.6575.

Confidence Starts with Education.
